Past ISGP-addressed conspiracy disinfo

In different articles ISGP has addressed the globalist propaganda and conspiracy disinformation. Here's a list:

1. [Credible vs not credible conspiracy theories](#)
2. ["Conservative CIA"](#)
3. ["Liberal CIA"](#)
4. [Coast to Coast AM](#)
5. [Alex Jones Show](#)
6. [Rense](#)
7. [Coast to Coast AM: 911 aspect](#)
8. [9/11 "Truth"](#)
9. [Steven Greer and his Disclosure Project](#)
10. [Graham Hancock](#)
11. [RFK assassination disinformers](#)
12. The Trump I administration's ties to [Pizzagate](#) claims.
13. A massive forum as [Reddit](#), even in all conspiracy-type channels, blocking ISGP articles and enforcing "liberal CIA" opinion across the line.

All the people above, and also the thousands of guests that they often interview, have been spreading very organized, very systematic disinformation. A lot of the disinformation is very universal:

1. Chemtrails
2. Ancient aliens
3. Moon landings didn't happen
4. [9/11-no-plane theories](#)
5. Holocaust didn't happen
6. Etc.

In other words, ISGP has been busy countering "liberal CIA" propaganda, "conservative CIA" propaganda, and conspiracy disinformation for a very long time. The problem is, new

conspiracy disinformation outlets and gurus are being propped up all the time. To a degree new conspiracy disinformation is being generated too all the time, but as indicated above, at the same time certain theories remain prominent for decade after decade. They are just repeated by newcomers to the conspiracy scene. Increasingly the disinformation, especially that involving spiritual or UFO affairs, is mixed with globalist propaganda along the lines of "gender and race equality" and LGBTQ.

Why this oversight

This new article and oversight has a variety of purposes:

1. It keeps track of newer, "hipper" conspiracy disinformation outlets - which often continue to push the same old disinformation.
2. It gives a glimpse at how vast the online conspiracy disinformation network is.
3. It just gives the reader practical examples of where to encounter disinformation.

Ultimately this oversight is just *a relatively minimal effort* to show how prevalent disinformation sites and pages are in search engines and on social media - and to what extent they are quietly tolerated by search engines, media and politics, even well into the 2020s, a decade into the so-called "war on fake news", which started in the run up to the first Trump presidency. All these websites and social media pages I have run into just by looking up a variety of conspiracy-related search queries, such as "CFR", "trilateral", "bohemian grove", "9/11", "CIA", etc., plus a number of specific names and connections in relation to ISGP research.

When I say "tolerated", I look at the ranking of these pages and sites compared to ISGP, which already in 2015 started encountering Google censorship, and eventually, certainly by the early 2020s, was near 100% buried in Google, and to a lesser extent in other search engines as well. Meanwhile, an army of extremely low quality conspiracy disinformation sites, at one point or another, had much higher ranking than ISGP, even sites with Holocaust denial, terrible black-purple designs, loads of expired navigation links, scummy advertizing, and notices as "data limit exceeded".

Why is it that sites like these can be ranked so high, relatively, while ISGP - in particular in Google - has been almost completely removed? Why is no one even asking questions about this phenomenon? And this years into a so-called "war on fake news"?

Fact is, by the late 2010s Google increasingly started to wholesale suppress anything "alternative" and "conservative, but it should be clear that these low quality conspiracy disinformation websites massively clogged and still clog up search engines. Of course, this

In brief

On this site the reader can find about 100 articles with a total of 1.7 million words, not counting (fully written-out) sources, press reports, membership lists with biographies, and outside work. If the information is reorganized a little, it would be possible to publish it in about twenty 300 page books.

Double-tap tap the center column in pure text areas for mobile view.

(manufactured) problem formed the basic argument for Google's censorship of the web, in April 2017 deliberately starting to artificially push "authoritative" websites.² This censorship process escalated over several years though.

We're dealing with several problems here:

1. A high quality site as ISGP being suppressed in Google much harder than any black-purple, Holocaust-denying conspiracy disinformation blog.
2. These latter type of websites clogging up search engines.
3. Search engines not properly filtering out low-quality content, by having algorithms go, "Yeah, no mark up, terrible 1990s design, pink letters on a black underground, no sources, dead links, little content, only links from other propaganda sites. We are going to filter this site out." This is a relatively easy process. It actually falls under a basic SEO check, which always has been part of the Google algorithm.
4. Search engine censorship being introduced to artificially promote "authoritative" sources.
5. The mainstream media subsequently being able to charge money again for content.

In any case, below are various lists of conspiracy disinformation sources. Sometimes these lists are updated, depending on what I run into, and if I have time to add it.

LISTS

Conspiracy disinfo websites

1. aanirfan.blogspot.co.uk
2. **AbruptEarthChanges.com:** Terrible-looking site which is the 6th hit on Yahoo on August 28, 2021, behind the official [Bilderberg](http://Bilderberg.org) site, Wikipedia, a fake conspiracy news site and the David Icke forums, for 'bilderberg 2021 attendees'. The site complains about coronavirus lockdowns, "medical tyranny" and ties everything on Earth to some kind of new age *"grand solar minimum"* theory.
3. **Abovetopsecret.com**
4. **Aim4truth.org**
5. **Altamontenterprise.com**
6. **Ae911truth.org:** Architects and Engineers for 9/11 Truth. Disinformation similar to all other [9/11 "truth" sites](#).
7. **Battleforworld.com:** Page 2, link 2, in Yahoo in March 2021 when typing in "[council on foreign relations](#)" "[trilateral commission](#)". Linked article: "*[The world rulers] are known in*

whispers as *"The Council of 7 Men", "The Seven Dark Ones", "The Seven Branches", "The Seven Children In Hostage", etc."*
Site slogan: *"Counter-forces fighting against the ruling elite cabal One World Order empire."*

8. **Bestgore.com:** Top gore video site completely dominated by the most rabid immigrant- and Jew-haters. Shut down late 2020.
9. **Biblebelievers.org.au:** Slogan: "The second coming of Christ". Page 3 in Yahoo in March 2021 when typing "[council on foreign relations](#)" "[trilateral commission](#)", linking to a very old 'Initial List of Council on Foreign Relations Members'.
10. **Bibliotecapleyades.net:** Copy-past conspiracy archive site. Has always been very prominent in search engines. Number 1 in Yahoo in March 2021 when typing "[council on foreign relations](#)" "[trilateral commission](#)".
11. **bilderbergmembers.files.wordpress.com:** 12th hit on Yahoo on August 28, 2021 searching for '[bilderberg](#) 2021 attendees', this behind two official links and an endless stream of garbage. The site is pretty much blank. No design really. It only has copy-pasted a 2019 Bilderberg list with some quotes, all without any kind of mark up. A PDF is linked with a bizarre, confusing anti-immigration rant about South African white Afrikaners having been betrayed by the British monarchy, mixed in with invocations of Christ and denunciations of "liberalism".
12. **Bookshop.org:** Its 'Coronapocalypse' book featured prominently in Google in 2021.
13. **BroadStreetBeacon.com:** 3rd hit on Yahoo on August 28, 2021, right behind the official [Bilderberg](#) site and Wikipedia, for 'bilderberg 2021 attendees'. Turns out, this a fake news satirical troll site on conspiracy, citing Bilderberg chair Henri de Castries as follows: *"Sierra City [is] also far away enough to confuse Alex Jones. And it's also the final resting place of Adolf Hitler."* Moving to the front page, the website has a news article entitled 'Defense Department Testing Fluoride Chemtrails in Nevada County'.
14. **bijbeloptiek.weebly.com:** I run into this cheap and terrible-looking Dutch Christian blog on September 25, 2022 searching on Google.com for '[bilderberg](#) "een-derde" politici zakenmensen'. It's link #4. The top tabs read: "Israel", "End time", "Bible", "Church" , "Occultism". The whole lengthy article has three sources, one of them Alex Jones' "Infowars", and contains sentences as, *"It is generally assumed that former Pope Paul XXIII also was a member of the Illuminati."* In the article conspiracy disinformers Daniel Estulin is mentioned. At the bottom it reads: *"The popes of Rome and their power in the end times."* My own [Bilderberg article](#) is nowhere to be found.

15. **Canadafreepress.com:** *"Elite crooks ... Committee of 300 ... Jim Marrs ... We suggest you allow Aaron Russo to educate you..."*
This is to be found in the article linked on page 1 and 2 in Yahoo in March 2021 when typing in "[council on foreign relations](#)" "[trilateral commission](#)".
16. **catholicresistance. blogspot.com/2006/08/sungenis-on-nwo-zionism-and-end.html:** Comes up on Sep. 18, 2021 as link 8 searching DuckDuckGo for '1977 penthouse expose of "[trilateral commission](#)". Basic blog with only a few posts on it. The url already makes its credibility clear.
17. **CoastToCoastAM.com:** Biggest conspiracy-related disinformation radio show. All its hundreds of guests spread disinformation, meaning that all their websites could be included here.
18. **Continuingcounterreformation .blogspot.com:** 4th Google result searching for "'the [Trilateral Commission](#) is the Carter Administration." penthouse 1977', amidst lots of dirt at the top of the index. Terrible-looking blog totally and completely incoherently obsessed with anti-Vatican and globalists-are-leftists propaganda. The page I ended up on pushes fake news that Obama's handshake was snubbed by Russian officials, while in reality Obama introduced American officials to Russian prime minister Medvedev. One of the links suggests that JFK was assassinated, because he tried *"to push the freeways away from Catholic University of America and Georgetown University."* The site is nothing but an ugly pile of incoherent, disinformative, religious nonsense.
19. **Corbetteport.com:** Chemtrails, 9/11-no-plane theories, etc.
20. **DavidIcke.com:** Icke is (in)famous for his shapeshifting lizard theories, but also pushes tons of other disinformation, including the idea that no plane hit the Pentagon on 9/11. His site also pops up high in search engines on occasion: forum.davidicke.com ('The [Bilderberg](#) Meeting 2021') is the 4th hit on Yahoo on August 28, 2021, right behind the official Bilderberg site, Wikipedia and a fake conspiracy news site, for 'bilderberg 2021 attendees'.
21. **Disclose.tv.**
22. **discover.hubpages.com/education/Who-is-the-Rockefeller-family:** Link #1 in Yahoo in March 2021 when typing in 'rockefeller illuminati'. Written in 2018.
23. **Ellaster.nl:** Showed up in the Statcounter of this site in May 2023. Ellaster.nl: *"[Top menu:] Intel: Benjamin Fulford. ... David Icke."*
24. **exploringrealhistory. blogspot.com/2020/03/part-1-eyes-wide-openwatergate-was.html:** Comes up on Sep. 18, 2021 as link #9 searching DuckDuckGo for '1977 penthouse expose of "[trilateral commission](#)".

25. **Express.co.uk.**
26. **Federaljack.com:** *"All three Illuminati classes are mind programmed... it is my contention that prominent Jews were recruited by the Templars..."* Second page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
27. **Fightingmonarch.com:** First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
28. **Foodlord.in/house-of-xtmfewg/limits-to-growth-2019-bf45a9:** Lyndon LaRouche stuff on "neo-Malthusian". No alineas or mark up, and part of the site of a "dining bar". Still, among the top links in Google in March 2021 searching on 'club of rome' membership.
29. **ForeignPolicyJournal.com:** Infrequently updated and largely defunct since 2020. Home to contributors [Richard Falk](#) (the pro-Arab one-time senior CFR member turned 9/11-no-planer), Ramzy Baroud, *"journalist and the editor of The Palestine Chronicle"*; and Paul Craig Roberts. Mixed seemingly real foreign policy analysis (last June 12, 2020 headline article: 'Why Do Taliban Continue to Kill If They Are Serious about Peace?') with conspiracy disinformation articles (Mar 24, 2011, 'A Rothschild Plan for World Government.' - still on the front page as of Aug. 2, 2021).
30. **Fourwinds10.com:** Christian site that pushes Benjamin Fulford's writings and the like. Copied old info from ISGP.
31. **Globalresearch.ca:** Michael Chossudovsky's website, which has pushed chemtrails, 9/11-no-plane theories, etc.
32. **Geopolitics.co:** Linked on an anti-Catholic conspiracy disinfo site that showed up high in Google for me on September 6, 2021. The site has a big Julian Assange quote at the top, but bathes in random conspiracy irrationality and disinformation. The 2012 article I end up with reads, *"Ptolemaic Papal bloodlines ... all controlled through the Jesuit Order and their Knights of Malta & Teutonic Knights all based in missile protected Borgo Santo Spirito in Rome. ... Saturnalian Brotherhood - The Real 13 Zoroastrian Bloodlines of the Illuminati."* The half-done site promotes HAARP theories and Benjamin Fulford.
33. **Globalwatchweekly.com:** *"Transhumanism, the Great Reset, the Covid-19 vaccine agenda and Nephimology."* Front page is empty. Barely any text in linked "article". Still, first page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
34. **Godlikeproduction.com:** conspiracy disinformation forum.
35. **Hetgrotereplaatje.nl:** Pusher of Illuminati ideas along the lines of Fritz Springmeier. On the front page anno 2021: *"The 'illuminati'... They consist at the core of 13 extremely wealthy families."*

36. **HenryMakow.com:** Pusher of Illuminati and Protocols of Zion theories.
37. **Illuminatiexposed.home.blog:** Link #2 in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
38. **Illuminatirex.com:** Page 2 and 3 in Yahoo in March 2021 when typing in "'council on foreign relations" "trilateral commission"'. Linked page: illuminatirex.com/secret-societies/: *"Top Ten Secret Societies: ... No. 1 Bilderberg... No. 2 Illuminati. No. 3 Skull and Bones. No. 4 [CFR] No. 5 [TC] No. 6 Priory of Sion. No. 7 Bohemian Grove. No. 8: Freemasonry. No. 9 Committee of 300. No. 10 Knights Templar."*
39. **Infowars.com:** Alex Jones' primary website.
40. **Libertygalaxy.com:** Page 2 in Yahoo in March 2021 when typing in "'council on foreign relations" "trilateral commission"'. This involves just a small page only containing some external links to CFR, Bilderberg and Trilateral Commission members in Trump's cabinet, plus the statement *"Trump Swap, it's alive! The Rothschild / Rockefeller mafia."* Political redirect site with 'Science: Aliens and UFOs' and 'Occult' sections with entries as *"Grimoires, Illuminati, Hermetic Order of the Golden Dawn, Skull and Bones, Thule Society, Quill and Dagger."*
41. **LibertyInternational.wordpress.com:** 18th hit on Yahoo on August 28, 2021 searching for 'bilderberg 2021 attendees', this behind two official links and an endless stream of garbage. It's the usual copy-paste blog with little to no design features, in this case ran by a deranged, old hippy-looking guy. Interestingly, the article is a full copy-paste of Michel Chossudovsky's disinformative-but-infinitely-more-well-known GlobalResearch.ca, indicating globalresearch.ca has been downranked in favor of these type of utter garbage links.
42. **libsarenuts.substack.com:** On Nov. 27, 2024 I ran into this site while searching for "council on foreign relations". The page in question discusses the CFR, Trilateral Commission and Bilderberg in one go, and does quite insightfully: quite clearly because it has been heavily copying from ISGP. Without looking deep at the site, its slogan is: *"Liberals Are Nuts. Exposing liberal lunacy one looney liberal at a time."* Hence, it has been heavily criticizing Obama and is radically pro-Trump.
43. **Liftingthewool.wordpress.com:** 8th hit on Yahoo on August 28, 2021, behind the official Bilderberg site, Wikipedia, and various other conspiracy news sites, for 'bilderberg 2021 attendees'. The title of the Feb. 2021 article that pops up? 'The Satanic Council, part 2: The Bilderberg Group': *"According to our whistleblower (OW), the Satanic Council and different committees under the Satanic Council are required to have a*

few meetings a year. One of their meetings is called the Bilderberg meeting (1). Using a reverse logic... Given Google's representation at the Bilderberg conferences... The Daily Mail (British) infiltrated the Bilderberg conference in 2018..." About section: "I'm a baking enthusiast [and] Christian who enjoys writing. ... Satan is real, and [lies] that the bible is a fairy tale."

44. **mindcontrolblackassassins.com** /tag/sheri-denise-allred/: Comes up on Sep. 18, 2021 as link 5 searching DuckDuckGo for '1977 penthouse expose of "trilateral commission"'. One page blog with irrational new age / magic / cult / CIA rants: *"Her ILLUMINATIUS (ILLUMINATI- US) supported global charities include expressly, LucisTrust."* The top caption has literally not been edited: *"Just another WordPress.com weblog."* About section: *"My interest in BLACK MANCHURIAN CANDIDATE began... on May 19, 1969, Malcolm X Day Celebration and Black Student Conference at Merritt Junior College, I unwittingly came face-to-face with one of the military-industrial-medical complex experimental products, a prototype Black zombie assassin. ... I had to escort the young man safely away from campus. The information collected about the young man including the gun that he had was subsequently compromised by a state police agent/informant that had infiltrated our security team."*
45. **modernhistoryproject.org/**: Official-sounding website that is heavily anti-liberal, with disinformative subtitles as 'The Great Reset' and 'Coronavirus coverup', while linking to various well-known disinformative websites and authors, such as 9/11-no-planer and chemtrails-pusher [James Corbett](#).
46. **Moonofalabama.org**.
47. **Mysticurious.com**: 'Hidden in Plain Sight: 13 Family Bloodlines of the Illuminati' on page 2 in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
48. **NationalVanguard.org**: Hit no. 3 on Yahoo searching 'senator george mitchell [bilderberg](#)' on August 28, 2021. The site writes against white guilt pushing by elites, but this is nullified by the fact that this is the (or a) site of the Jew-baiting pro-Nazi group with similar name. If you click on 'Buy Books' you are taken to CosmoTheistChurch.org where William Pierce's 'The Turner Diaries' are prominently sold.
49. **Newdemocracyworld.org**: 9/11-no-plane, anti-global warming, anti-Israel writings.
50. **NewsPunch.com** / **Yournewswire.com**: Spreads outright fabricated material. Ran by Adl-Tabatabai, formerly an employee of famous conspiracy disinformers David Icke.
51. **NewsWithViews.com**: Hit no. 3 on Yahoo searching 'senator george mitchell [bilderberg](#)' on August 28, 2021. Early 2000s-looking conservative conspiracy site founded in June 2001. It

has major HTML error codes in the 'About' section, and still pushes the 2004-released 9/11-no-plane disinformation film 'In Plane Site' in the left column when I visit it in 2021, along with other disinformation.

52. **nwobroadcastcorp.wordpress.com:** Holocaust-denying website. The site was the top image link on November 5, 2024 when searching for my own name, and the only Google result showing my photo - over my own site. Wrote: *"At the end of all this "research" Reijden (who looks like Jewish "Satanist" Anton LaVey's love child) produces this peach of a discovery: Holocaust Denial or Revisionism is not just nonsense says Reijden its absolute nonsense."*
53. **Ohoakebooks.com.**
54. **One-trinity.com:** First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.
55. **ordoabchao.ca/volume-five/secret-team:** Link 4 Sep. 18, 2021 searching DuckDuckGo for '1977 penthouse expose of "[trilateral commission](#)". David Livingstone.
56. **Payseurs.com:** First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'. Presents an alternative Illuminati story to Fritz Springmeier's.
57. **Prisonplanet.com:** Alex Jones' secondary news website.
58. **pineut.wordpress.com:** I run into this cheap and terrible-looking Dutch Christian blog on September 25, 2022 searching on Google.com for 'bilderberg "een-derde" politici zakenmensen'. It is a top 20 link. The article concerns 'Dutch participants Bilderberg 2016', is very short, has no sources, misses one of its pictures (an external link to defunct conspiracy site thesleuthjournal.com), contains images of the Illuminati pyramid with all-seeing-eye and texts as 'Agenda 21', and contains a tab at the top that reads 'Maankalender 2013' ('Moon Calendar 2013'). My [own new Bilderberg article](#) is nowhere to be found in Google.
59. **pizzagate.fi/english/book-pedophilia-empire-satan-sodomy-the-deep-state/:** Comes up on Sep. 18, 2021 as link 2 searching DuckDuckGo for '1977 penthouse expose of "[trilateral commission](#)". Pizzagate, which dominates this dump-looking blog, is a bogus affair.
60. **Propagandamatrix.com:** Old website of Alex Jones ally/employee Paul Joseph Watson.
61. **Qanon movement:** Movement that sprang from the old extreme right 4Chan forum, similar to the [bogus 2016 Pizzagate affair](#) it has supported. The basic idea of the movement basically comes down to Donald Trump being the savior of the white/human race from the globalist cabal of pedophile Satan worshippers - who tend to be overwhelmingly "leftist" and Democrat. The movement has

been discussed/pushed around the world in mainstream newspapers and magazines as a prime example how dangerous and vast the "extreme right" is.

62. **Reddit:** This involves most, if not all, conspiracy channels. Moderators - often of dozens of channels - have always refused to link to ISGP articles, have them downvoted, and otherwise push little but disinformation. Reddit literally has a policy that black, Arab and Latino minorities cannot be racist - because they are minorities. It is part of the globalist Silicon Valley cartel. ISGP has written about the [origins and censorship issues at Reddit](#).
63. **Rense.com:** Very prominent, long-standing conspiracy news aggregate website with roots going back to 1994. It claims to be "anti-Zionist", but has celebrated Hitler's birthday (literally) and pushes disinformation as chemtrails and everything else under the sun.
64. **revolutionaironline.com:** Found on Dec. 18, 2022 searching Google for "'van thillo" "maurice lippens". Site that is continually screaming about Dutch pedo-networks. [revolutionaironline.com /category/mh-17/](http://revolutionaironline.com/category/mh-17/) (accessed: Dec. 18, 2022).
65. **rtdutch.net:** Anti-Corona lockdown protestors. Stole ISGP material at rtdutch.net/klimaatverandering-club-of-rome-prins-bernard-en-beatrix. Mainstream media attention to discredit "conspiracy theorists": September 6, 2020, NRC, "Corona, is dat niet gewoon een seizoensgriepje?".
66. **Rumormillnews.com:** General news and conspiracy disinformation blog/site. Still able to raise \$1,600 in March 2021 through donations.
67. **Stillnessinthestorm.com:** Democrat-bashing conspiracy site making references to Bibliotecapleyades.net in this case. Page 1, link 2, in Yahoo in March 2021 when typing in "[council on foreign relations](#)" "[trilateral commission](#)".
68. **SOTT.net.**
69. **Steverotter.com:** First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'. COVID hoax, flat earth theorizing, etc.
70. **tttruth.com:** "Black nobility", lots of complaining about Zionists and Jews. Top link in Google in Yahoo in March 2021 when doing searches on Club of Rome membership.
71. **Thefreethoughtproject.com:** Site completely dedicated to police abuses, with at least one John Bircher among the staff members. Some Molon Labe and media-controlled-by-CFR stuff on site.
72. **Themillenniumreport.com:** "Pedogate & Pizzagate" heading.

Page 1, link 3 (also on page 2), in Yahoo in March 2021 when typing in "council on foreign relations" "trilateral commission".

73. **Thenewamerican.com:** Good old magazine of the "old right" "alt right" John Birch Society. Page 1 and 2 in Yahoo in March 2021 when typing in "council on foreign relations" "trilateral commission".

74. **Thetruthseeker.co.uk.**

75. **Unforbiddendocs.wordpress.com:** Second page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'.

76. **Unshackledminds.com:** 11th hit on Yahoo on August 28, 2021 searching for 'bilderberg 2021 attendees', this behind two official links and an endless stream of garbage. Why? Because it is a recent November 2020 article that has 'Why the Bilderberg's Replaced Donald Trump With Yes Man Joe Biden' is its title... Terrible-looking site with no interface except a front page. Article written by "Auto". Quote: *"Trump is just another 'actor' turned President. ... Sleepy Joe Biden: ... They needed a Satanic Shill to implement the North American version of the 'Great Reset'. Here in Canada we have our own Bilderberg Shill in Justin Trudeau ready to implement the Illuminati's 'People Control' plan. [and] build our COVID 21 Internment Camps."* The front page is all about disinfo how Covid vaccines are not effective at stopping the Delta variant.

77. **Veteranstoday.com:** Website with high-level, international intelligence representatives, who engage in 9/11-no-plane disinformation.

78. **Viruswaarheid.nl:** Hit number 2 on Google.com typing in 'Global Preparedness Monitoring Board sigrid kaag' on August 28, 2021 and generally a Dutch conspiracy disinfo site I regularly run into anno 2021. The site is ran by anti-Corona Lockdown activist Willem Engel, son of infamous Dutch slumlord Cees Engel, who was bought out of the city of Rotterdam and once received a year jail sentence for offering housing to drug criminals. In 2020 he made the national news for his case against the Dutch government over the legality of its implemented Corona curfew. He never really left the news (on July 24, 2021 I saw criticism of him pushed on my YouTube frontpage with a fresh account). In January 2021 Willem caused a schism in the small party Vrij en Sociaal Nederland, through which he tried to get into parliament.

79. **Voltairenet.org**

80. **Wakeup-world.com:** First page link in Yahoo in March 2021 when typing in 'rockefeller illuminati'. Chemtrails, HAARP, etc.

81. **Wearechange.org**

82. **whammisright.blogspot.com:** Link 6 Sep. 18, 2021 searching

DuckDuckGo for '1977 penthouse expose of "[trilateral commission](#)". All-black and grey blog with a number of rant-like posts on them: *"Socialism? REALLY ??? Are there STILL people out there who "think," oops, I mean believe (obviously there is NO thinking going on) that Socialism works? As half Swede, I can tell you that Socialism has done irreversible damage to the homeland...*

You need to listen to the testimonies of various mind control victims, researchers, and Illuminati defectors such as Cathy O'Brien, "Mary Anne," "Svali," "David Icke," and many others." Rants about the bible as well, etc.

83. [Whatreallyhappened.com](#)

84. [Wikispooks.com](#) / [Wikispooks.org](#): Site that has been very supportive of ISGP, but I can't agree with some of the prominent theories of one of its admins, [Peter Presland](#), which includes Holocaust denial, 9/11-no-plane theories, and support for an absolute madman of the conspiracy movement: [Dave McGowan](#), who claimed that the [2013 Boston Bombing](#) was a "hoax" with bombs not going off at ground level and injuries being a psy-op.

I also wondered around 2022 why another Wikispooks admin was unconcerned, even privately, about clear evidence of [Google censorship](#) in their statistics. I do know, CNN has no trouble linking to the site and that Wikispooks was formally mentioned by a liberal-globalist NGO in a list of disinformation-pushing sites during the Trump years. ISGP was not. In any case, I've always been very appreciative of Wikispooks' support, and they do make a ton of very useful information available, but we differ on the details.

85. [ymlp.com/zb1R2M](#): *"Cogs in Club of Rome's Genocide Machine."*

86. [Zerohedge.com](#).

87. [zlj13051967.wordpress.com](#) ('The Balkans Chronicles'): I run into this cheap and terrible-looking blog on September 25, 2022 searching on Google.com for '[bilderberg](#) "een-derde" politici zakenmensen'. It is link #15, amidst almost all untrustworthy sites. *"There are no rulers outside the reach of freemasons. ... Nobody knows how many secret chevaliers and knights of different orders and lodges there are in his country. Many states have already losted sovereignty."*

ODD ONE:

88. [conspiracydossiers.com](#): This is the weird one in the bunch. Found (again) on Dec. 18, 2022 searching Google for "[cercle de lorraine](#)" and "selliers de moranville" to get a proper list of

members for this group, including sources. Various copy-pastes from my ISGP can be found in Google, but not ISGP itself. Then there is this peculiar site, conspiracydossiers.com, that copies the WHOLE way of organizing an article from ISGP and has rewritten ISGP's 'Beyond the Dutroux Affair' and related articles into a bunch of separate articles without sources. At the same time it links to ISGP... Except for the links, this is not productive. Also, why is this site allowed to be up in Google and not ISGP? As said, it's a weird one.

After I complained about the issues above, the site admin explained he was a fan of ISGP and even donated. I also haven't spotted any disinformation that quickly, if only because it mostly is ISGP work, so conspiracydossiers.com can't be in the regular "disinfo list" here. As long as he includes some links to ISGP, I'm fine with it. The site does deserve an "honorable mention" here though.

Conspiracy disinfo YouTube channels

1. **The 5th Kind:** ³ The channel works with Paul Wallis, who wrote 'Escaping from Eden'. On May 6, 2023 an 11 million [14 million in Dec. 2024] video entitled 'WHY ARE WE HERE? A Scary Truth Behind the Original Bible Story | Full Documentary' was found at position 11 when searching Youtube for 'conspiracy foundations congressman rockefeller ford carnegie 1960s'. The entire channel is dedicated to ancient aliens, some with millions of views. The video 'The Book of Enoch Banned from The Bible Reveals Shocking Secrets Of Our History!' had 11 million views in Nov. 2024. Videos promote Erich Von Daniken, Jacques Vallee, Richard Dolan, [Graham Hancock](#), [Steven Greer](#), Dr. John Mack and other disinformers. Listening to the intro video on the channel on Nov. 27, 2024, Wallis says, *"Do you feel that you may have been a different gender in another life? Do you feel deeply that the genders are equal, including with regard to leadership."*
2. **Patrick Bat-David:** Born in Iran. His family fled after the Shah of Iran fell and during the Iran–Iraq War of 1980-1988. U.S. paratrooper at the 101st Airborne Division. Briefly a bodyguard for some kind of leading L.A. cocaine dealer, according to his own words. Glendale branch manager at Morgan Stanley Dean Witter 2001-2009, which got him into big business. Ended up with a fortune of \$350 million. Went into podcasting in 2012. Runs the PBD podcast and the Valuetainment podcast. ⁴ Conservative pundit who became very prominent on YouTube and social media. Interviewed Trump on October 16,

2024, which, as usual, was blocked on YouTube. He also interviews conspiracy disinformers such as [Alex Jones](#) ⁵, the Disclosure Project's [Steven Greer](#). ⁶, and Flat Earther Christian evangelical Bryce Mitchell ⁷, who hails from the [Eddie Bravo](#) corner.

3. **Konkrete podcast:** ⁸ Shows up on the YouTube frontpage on occasions. Has interviews with CIA veterans, one of which is surprisingly good ("liberal CIA"-tied [John Kiriakou](#)). However, the site is dominated by alien and new age disinformation. Titles include: 'Aerospace Billionaire Claims Aliens are Walking Among Us | James Fox', 'Suspicious Alien Metal Discovered at Roswell | Jeremy Rys', 'Does Flat Earth Agree with Religion? Mario Bastunetti', 'Our Universe is Predetermined by Simple Math | Esoteric Eddie', 'How Tupac Could Still Be Alive | David Lucas'.

4. **Former Navy Seal Shawn Ryan:** ⁹ "Supermanly" YouTube channel with a former special forces operator who has posted many lengthy interviews with veterans from the Navy Seals, Delta Force, CIA and other special forces. He shares the CIA's Andrew Bustamante (who definitely does not say anything controversial) with KonKrete. However, in 2023 he also extensively interviewed major UFO disinformers [Dr. Steven Greer](#). ¹⁰ On July 13, 2023 Shawn Ryan went even deeper into conspiracy disinformation with the video '3 Whistleblowers Break The Silence on Antarctica Earth Quake Weapon, Stargate, and UFO Encounters'. Videos of him also are prominent in the [TikTok](#) conspiracy disinformation feed. On July 18, 2023 Shawn Ryan uploaded a YouTube clip with the title 'Infantry Marine Witnesses a UFO Smuggling Humans and Weapons'. At this point it is clear Ryan is spreading disinformation.

7. **TheNewAmerican.com**: Magazine of the old [John Birch Society](#). Only the 20th and 21st links on Yahoo on August 28, 2021, after searching for '[bilderberg](#) 2021 attendees', this behind two official links and an endless stream of copy-paste, total-garbage blogs with barely any content, indicating The New American has been downranked. While some of the books and articles of the JBS of the 1970s on CFR elites and such are informative, it seems this page has devolved too into Trump-like ranting and sarcastically name-calling using terms as "Fake News Media (FNM)" and "presstitutes", with memes that include putting Devil's horns on liberals.
8. [GeenStijl.nl](#): Prominent anti-establishment, libertarian-oriented blog that is highly critical of "the left" in Dutch society, but ignores and ridicules things as Bilderberg.
9. [Dagelijksestandaard.nl](#): A Dutch news site that is similarly anti-establishment, "anti-left", libertarian-oriented.

3. **Progressiveissuesblog.wordpress.com**: 9th hit on Yahoo on August 28, 2021, behind the official Bilderberg site, Wikipedia, and various other conspiracy news sites, for 'bilderberg 2021 attendees'. Very basic June 2021 article on Bilderberg that won't inform you of anything. It lists critics, but only disinformers. Looking around, elite-funded Black Lives Matter and Code Pink propaganda is supported. That makes sense, because from the 'About' section we learn that the site belongs to an old leftist political activist, who describes himself as "*a progressive minded intellectual [whose] mentors are [top "liberal CIA" asset [Ralph Nader](#)... Gandhi, Jesus, [anti-white racism Black Panther Party activist] Mumia Abu Jamal [who executed a police officer from behind who stopped his brother]... [Rockefeller-Kissinger-Shultz bestie] Nelson Mandela, [Rockefeller Brothers Fund-funded] Martin Luther King, Caesar Chavez, [the similarly "Liberal" CIA-tied] Daniel Ellsberg, Judy Bari, Rachel Corrie, Chelsea (Bradley) Manning, [the similarly "Liberal" CIA-tied] Edward Snowden and women of Code Pink.*"
